SMD2835 Refrigerator/Freezer Light clear

Product Description:

The light source adopts large chip 2835 light source, high brightness,long life, low attenuation;

Using high thermal conductivity aluminum substrate, the best heat dissipation effect;

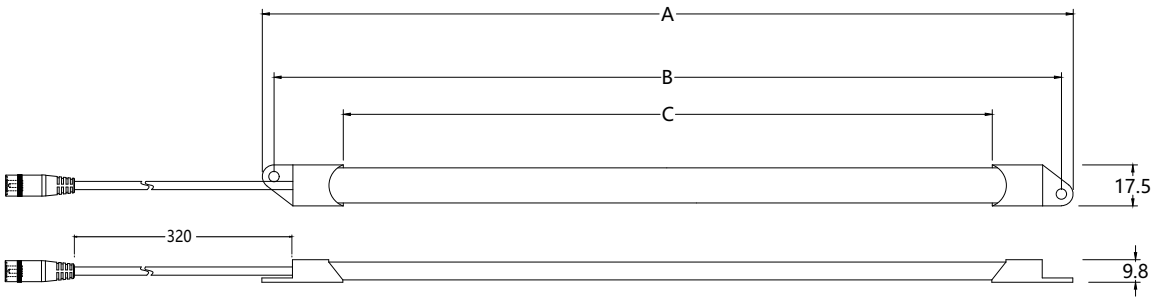

The surface of the light box light is uniform, no dark area, stripes, light spots;

Product Datasheet

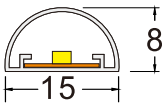

Product Number	B015012BB1LZ(FL)
Operating Voltage	DC12V
Power	1.6W/PCS
SMD Type	SMD 2835
LED Qty	12LEDs/PCS
CCT	3000K/4000K/6500K
Luminance	256lm (160lm/W)
Beam Angle	120° (Clear)
Ra	80
Size (mm)	268x17x10mm
IP Rate	IP65
Operation Temperature	- 25 ~ 60℃

Custom lengths available (up to 200cm, cut to size)

Outline Dimension (unit mm)

A:268mm B:261mm C:204mm(±2mm)

Note: The parameters are subject to change without notice!
